

Learn and Revise Welsh at CEFR Level A1

Learn Welsh Through Crosswords – A Fun and Effective Language Learning Resource

This unique puzzle book contains 60 dual-language crosswords created explicitly for learners of Welsh at CEFR Level A1. Whether you're studying on your own or using this as a classroom resource, these puzzles provide a fun, interactive way to revise and reinforce essential Welsh vocabulary.

All vocabulary used in this book has been sourced from the official A1 word list provided by the National Centre for Learning Welsh, ensuring alignment with the language level and learning goals of beginner students. Special thanks are due to Glyn Jones, who kindly proofread the vocabulary and contributed to the book's overall accuracy.

To maintain consistency with standard crossword conventions, Welsh digraphs (such as ll, dd, and rh) are treated as two separate letters occupying two squares in the grid.

This book is ideal for:

- Students preparing for CEFR A1 Welsh exams
- Teachers looking for supplementary classroom material
- Self-learners seeking a more engaging way to practice vocabulary
- Anyone who enjoys solving puzzles and learning languages

While every effort has been made to ensure accuracy, the author accepts full responsibility for any errors that may have slipped through. Above all, this book is intended to offer hours of enjoyment while supporting learners on their journey to Welsh language confidence.

Pob lwc! / Good luck!
