

Learn and Revise Welsh to CEFR Level A2

Inside, you'll find 100 bilingual crossword puzzles carefully crafted to reinforce and extend key vocabulary. Whether you're studying in a classroom setting or learning independently, these puzzles offer a fun and practical way to consolidate your knowledge while enjoying the process.

Key features:

- Covers combined A1 and A2 vocabulary, based on official lists from the National Centre for Learning Welsh
- Provides a wide range of terms suitable for beginner and pre-intermediate learners
- Follows the standard convention that Welsh digraphs (like ch, dd, ng) occupy two squares, ensuring puzzle clarity
- Includes vocabulary reviewed by Glyn Jones for accuracy and consistency

This book is ideal for:

- Learners progressing from CEFR A1 to A2
- Teachers seeking supplementary resources
- Puzzle lovers looking to improve their Welsh
- Students preparing for formal Welsh language assessments

While every effort has been made to ensure the quality and accuracy of this book, any remaining errors are the sole responsibility of the author. Above all, this book aims to provide a rewarding and enjoyable experience for language learning.

Continue your Welsh journey – one crossword at a time!
