

Learn and Revise Welsh CEFR Level A2 to B1

Build Your Welsh Vocabulary with 150 Dual-Language Crosswords – Now Covering CEFR A2 and B1 Levels

This is the third volume in a popular puzzle series designed for learners of the Welsh language. Building on the success of the first two books (which focused on CEFR Level A1 to A2), this expanded edition combines vocabulary from both A2 and B1 levels to support learners who are ready to move forward with greater confidence.

Inside, you'll find 150 bilingual crossword puzzles carefully crafted to reinforce and extend key vocabulary. Whether you're studying in a classroom setting or learning independently, these puzzles offer a fun and practical way to consolidate your knowledge while enjoying the process.

Key features:

- Covers combined A2 and B1 vocabulary, based on official lists from the National Centre for Learning Welsh
- Provides a wide range of terms suitable for beginner and pre-intermediate learners
- Follows the standard convention that Welsh digraphs (like ch, dd, ng) occupy two squares, ensuring puzzle clarity
- Includes vocabulary reviewed by Glyn Jones for accuracy and consistency.

This book is ideal for:

- Learners progressing from CEFR A2 to B1
- Teachers seeking supplementary resources
- Puzzle lovers looking to improve their Welsh
- Students preparing for formal Welsh language assessments

While every effort has been made to ensure the quality and accuracy of this book, any remaining errors are the sole responsibility of the author. Above all, this book aims to provide a rewarding and enjoyable experience for language learning.
