Description

Crossmots, Small Crossmots, American Style, Jumbo Crossmots, the Crossmot Map, Quick, Barred and 5X5 grids are two-language crosswords. If the clue is in one language the answer is in the other. Toughnuts are similar to Crossmots, but we do not provide the numbering.

Small Toughnuts are similar to Crossmots and Toughnuts, clues are written in either language and the answers are in the other, but we do not provide the numbering. Starter, Food, Freeform and Tall Crossmots are Crossmots written with Spanish clues but have English answers. Wordsearches comprise English and Spanish words. The first five 'Difficult' Crossmots have clues written in English, but all the answers are Spanish. The last five have the languages reversed.

Bare Bones are Crossmots without all the black blocks and only some of the numbering. The Anagrams are Crossmots but have the answers provided in anagram form. In addition, some of the squares lead to a clue referring to the title.
